Hi Stephanie,

Could you resend the paper, when you have a chance? I'd just like to make sure that this language could fit. Here's the kind of language that I'm thinking about (would like to run this past OGC too):

Ex. 5 AC/DP

Thanks,
Nizanna

Subject: Comment on ESA Option Paper

Good Afternoon Nizanna,

I hope you are well. Kathy and I are trying to finalize the ESA papers for Option Selection next week and I was wondering if you could provide some input on the comment you had on the 27th of February.

To refresh your memory in the Background Section of the paper you had mentioned the following:

Ex. 5 AC/DP

When you get a chance please let me know when you get a chance.

Sincerely,

Stephanie
